Every participant receives an Alpha Academy Certificate of Completion. The programme suits students considering accounting, business, finance or law who want first-hand experience for personal statements and interviews.

WHO DELIVERS THE PROGRAMME

Delivered by Alpha Academy

The programme is planned, delivered and supervised by Alpha Academy. Sessions run 10:00 AM to 12:00 PM, and the group is capped at 10 students so that every piece of work can be discussed and checked one to one.
